#### Open Document To Whom It May Concern

#### List of people killed or arrested by Albashir's militias between 13<sup>th</sup> December 2018 and 3<sup>rd</sup> January 2019 in Sudan

- The names below are for people **shot dead** or **arrested** since the start of the protests on 13<sup>th</sup> December 2018 in different towns and cities in Sudan.
- The names on this list have been compiled from open sources and verified using different triangulation techniques and in cooperation with our networks and contacts in Sudan. This list is not *inclusive* and can never be inclusive. Hundreds of people were kidnaped by the security militias during a demonstration, from their homes or work place. The list will be updated daily. Last update is 3<sup>rd</sup> January 2019.
- Some of detainees may have been released from detention others are not and were subjected to inhuman treatment, harassment and torture.
- This list will be part of a letter to be sent to Governments, Human rights Organisations, Regional and Global intergovernmental organisations.
- The Independent Movement is a Sudanese Diaspora-led organisation holder of a *Special Consultative Status* at the United Nations *Economic and Social Council* (ECOSOC) since August 2018.
